

Our Lady of Mercy: map of parish plant

~ in the Westlake District of Daly City, CA ~

Dear Friends — due to the confusion many have experienced when trying to find the right location for an event here at O.L.M., we provide this map for your convenience. To reach Our Lady of Mercy from the 280 freeway, please:

- take the exit called “Westlake District” or “John Daly Blvd.,”
- head west on John Daly Blvd. toward the ocean,
- at the fourth stop light, turn left onto Dorchester Dr.,
- take an immediate left onto South Mayfair Ave.
- take an immediate right onto Elmwood Drive.
- if possible, please use our large parking lot near the Church and Rectory, leaving the street parking for our neighbors. *Please do not leave vehicles parked in our School’s playground areas during school days, as they will be towed away for the children’s safety.*

Thanks very much, and welcome to Westlake!

Father Bill Brown, pastor
